## Warm Greetings!

Last season will certainly be remembered as the summer of sunshine! We experienced a record heat wave, with temperatures consistently in the high 20s and well into the 30s all season long. The dry conditions led to a burn ban for nearly a month, but the bright skies and warm weather made for endless days on the water and unforgettable sunsets. Fishing was fantastic early in the season, with many impressive catches, though it tapered off as the hot, dry weather stretched into late summer. As always, we extend a heartfelt thank you to the many families and friends who return year after year. Your continued support and the memories you create here at Kirk Kove are what make each season so special to us.

## Kirk Kove at Spring Outdoor Shows

This spring, Kirk Kove will be proudly represented at trade shows as part of our ongoing efforts to introduce more people to everything our resort has to offer.

The Township of Central Frontenac will be showcasing our region, including Kirk Kove, at the **Quinte Sportsman Boat, RV & Outdoor Show** from March 13–15, as well as the **Ottawa Outdoor + Adventure Travel Show** on April 25–26. In addition, **Fish Easy** will be marketing Kirk Kove at **Cancast — Canada's largest fishing and tackle show** on March 29 in Peterborough.

These events attract outdoor enthusiasts, anglers, and travellers from across Ontario and beyond, helping us share the great fishing, relaxation, and natural beauty that make Kirk Kove such a special place. If you happen to be attending any of these shows, be sure to drop by the booths to see Kirk Kove proudly showcased!

## Watch the Big Games in the Rec Hall

The FIFA World Cup is taking place in Toronto this summer and our Rec Hall continues to be a great place for guests and neighbours to gather and enjoy major sporting events together. Our Satellite TV provides access to a wide range of sports channels, allowing us to broadcast many of the most popular events throughout the season. Whether you're cheering on your team during the Stanley Cup Playoffs, following the excitement of the FIFA World Cup, or catching National League Baseball games throughout the season, the Rec Hall provides a comfortable space to watch the action on the big screen with friends and family.

And don't forget that in addition to sports viewing, the Rec Hall offers games for both children and adults, including shuffleboard and foosball, a small library for those who enjoy a quiet read, a comfortable area for working remotely, and a space for hosting family gatherings for dinners or special events during your stay. We look forward to many great gatherings in the year ahead.
