2025

Warm greetings

2024 proved to be another wonderful season at Kirk Kove. The fishing was great, the flowers bloomed all summer, the wildlife was entertaining, more butterflies were hatched, and most importantly we were able to host and spend time with all our magnificent guests - many of you, multiple times. We look forward to the upcoming season and catching up on what's been going on in your lives since we last saw you. Stay safe and see you soon!

Your Kirk Kove Family

Fond Farewell

A lovely farewell party was hosted by Ken & Laura Gaggi, and Neil & Lana Unsworth, on October 5th to say goodbye to Jim & Claire Walker, the previous Kirk Kove owners of 17 years. They have sold their BGL cottages, buying a home outside of Perth, to be closer to their family. They have been wonderful in assisting us over the past six seasons, as we transitioned into our new ownership roles. Jim & Claire will be missed, and we wish them all the best in their new life adventures. They promise to drop by for visits over the summer. A fun fact: the new owners of the Walker's cottages are Steve & Julie's nephew and family.
